Draft Proclamation Statement:

Saskatchewan Addictions Awareness Week, November 17-23, 2013

Whereas: there are risks associated with alcohol, tobacco, other drug use and gambling which can lead to problems for individuals, families, businesses and communities and;

Whereas: research indicates that the prevention of these problems occurs when communities come together to strategize comprehensive approaches to reduce these risks and;

Whereas: public awareness is the first step in community – building;

Therefore: The Corporation of the City/Municipality of

hereby proclaims November 17-23, 2013
as Saskatchewan Addictions Awareness Week.

What unites us necessitates we work together to find better ways.
